Admiral R. H. Hillenkoetter
Director of Central Intelligence
2430 E Street NW
Washington 25, D. C.

My dear Admiral:

Your very kind letter of 14 May 1947
reached my office shortly after I departed for the
Union of South Africa on a four month trip.

You may rest assured that I shall be ex-
tremely happy to be of any assistance to you within
my capabilities at any time that you may call upon me.

I wish to congratulate you upon your ap-
pointment and also upon having achieved a permanent
and independent organization with good legal status.

I shall look forward with pleasure to mak-
ing your acquaintance upon my next trip to Washington.

With all best wishes, I remain

Sincerely yours,

KD:j
